TREASUBY DEPARTMENT.

Office of Internal Revenue,

Washington, D. C., January 28, 1880.

Messrs. Lawrence & Martin, 111 Madison street, Chicago, Ili—Gentlemen: I have received "a certified formula." giving the ingredients and relative proportions used in the manusacture of an article which you advertise and sell under the name of "TOLU, ROCK AND RYE." This compound, according to your formula, in the opinion of this office, would have a sufficient quantity of the BALSAM OF TOLU to give it all the advantages ascribed to this article in pectoral complaints, while the Whisky and Syrup constitute an emulsion rendering the compound an agreeable remedy to the patient.

In the opinion of this office, an article compounded according to this formula, may properly be classed as a medicinal preparation under the provisions of Schedule A, following section 3437, United States Revised Statutes, and when so stamped may be sold by Drugyists, Apothecaries and other persons, without rendering them liable to pay a special tax as liquor dealers.
